BioNB Business Services

Here's what we can do for you:

7 Bio Sector Events for Fall 2014

National Biotechnology Week 2014

September 26th - October 3rd

This year New Brunswick is recognizing National Biotechnology Week by celebrating the success stories of our sector. BioNB and partners are hosting events across the province. Stay tuned for event updates by checking the [event page](#) on BioNB, [following us on Twitter](#), and liking us on [Facebook](#).

Twitter Scavenger Hunt 2014 - September 29th - 30th

The [Twitter Scavenger Hunt](#) is back! [@biosciencenb](#) will tweet out questions and tasks related to NB bioscience - tweet back answers for points! Last year's prize was an iPad - what awesome prizes will there be this year?!? [Click here](#) for more info. [Stay tuned for updates!](#)

ACRI Open House - September 30th, Moncton

Come see the Atlantic Cancer Research Institute's state-of-the-art cancer research lab and meet their researchers and staff! ACRI will be offering **guided tours** to guests as well as the opportunity to **engage with their scientists** to learn about their innovative research. [Click here for more info and to register!](#)

Innovation at the Station 2014 - October 3rd, Fredericton

Join us for an evening of food and drink while we honour the winner of this year's Bioscience Achievement Award and tell the stories of our sector's growth. This tasty and laid back wrap-up to National Biotechnology Week is an event not to miss! Just like last year we'll be cooking up an impressive spread of unique food and drink. [Stay tuned for updates](#) on delicious food, special guests, and more. [Click here to reserve your spot](#) - spaces are limited for this annual

- Proposal/application editing
- Business development support
- Web presence support
- Marketing collateral development and support
- Strategic networking
- Pitch coaching
- Funding sources navigation
- Coaching and mentoring

Partner Events:

SDTC Cleantech Funding Workshops In Saint John and Moncton (Sept. 9th and 11th)

Do you have a technology that addresses issues in climate change, air quality, clean water, and clean soil? Get the inside scoop on funding programs in the region including the [SD Tech Fund](#). BioNB has partnered with SDTC on a workshop in [Saint John on September 9th](#) and a workshop in [Moncton on September 11th](#). [Click here to learn more!](#)

Bénéfiq 2014 - September 23-25

Don't miss Canada's only scientific and business gathering on health ingredients. Beautiful Quebec City will host this year's event where participants can meet international delegates and enjoy world-class speakers. [Click here for more information.](#)

AdvaMed 2014 - October 6-8

BioNova has partnered with the Consulate General of Canada on a mission to [AdvaMed](#) in Chicago, IL, and New Brunswick companies are invited to take part. Participating companies can enjoy:

- Discounted registration fee
- Free access to the medtech boot camp on October 6th
- Invitation to the International Seminar on October 9th (program on US medtech market access)

[Contact BioNova's Scott Moffit for more info.](#)

BioPort and the BioInnovation Challenge - Oct. 20-21

BioPort Atlantic is the premier annual life sciences event in Atlantic Canada and is once again hosting the BioInnovation Challenge!

BioNB is proudly sponsoring BIC2014! The pitch competition is seeking companies and researchers with innovations in bio, life sciences, clean tech, med tech, and natural resource tech. Get valuable coaching, exposure, and the opportunity to compete for a great prize pack! [Click here to learn about the 4 NB companies in last year's semi finals.](#)

BIC2014 applications close September 3rd. [Click here to learn more.](#)
