# BioNB & National Biotech Week

National Biotech Week  
Semaine Nationale des biotech

Registration is filling up quickly for this year's [National Biotechnology Week in New Brunswick](#). Innovation at the Station is already **half full** so get your ticket soon! We've secured [three new amazing sponsors](#), and the Atlantic Cancer Research Institute is getting anxious to welcome the community into its amazing facility! Read about all that is going on below and contact [Jenny Keleher](#) for any questions or new ideas!

## Atlantic Cancer Research Institute Open House

### Sept 30th, Moncton

*Did you know there is world class cancer research being conducted right here in New Brunswick? See it up close!*

You're invited to come tour the Atlantic Cancer Research Institute's state of the art research facility and meet their passionate researchers and staff. ACRI has grown from a team of one into a 50+ member organisation of talented researchers and staff. After developing and commercialising a revolutionary method that will improve cancer detection, they continue to innovate.

### Sponsor Spotlight: LuminUltra

We're #1 fans of **LuminUltra**, our generous sponsor of [Innovation at the Station](#) AND the [NB Biotech Twitter Scavenger Hunt](#)!

[LuminUltra](#) is a global leader in microbiological water testing and they're constantly innovating to stay ahead of the game.

### Innovation at the Station

#### October 3rd, 2014

We're big on local just like you, so we've secured **LJW Catering** to serve up a unique selection of fresh, locally sourced foods.

Join us at Innovation at the Station and rub elbows with the movers and shakers of the biosector while we honour the winner of the New Brunswick Bioscience Achievement award.

**Where:** The York Street Train Station, Fredericton, NB

[Click here to reserve your spot](#) - spaces are limited!

Sponsored by [LuminUltra](#), [NBIF](#), and the [Biorefinery Technology Scale-Up Centre](#).

### BioNB Twitter Scavenger Hunt

#### Sept 29th-30th

*Are you a fast Googler? Fast enough to **win yourself an iPad?***

[@BioScienceNB](#) will tweet out questions and tasks related to our biosector - tweet back answers for points!

Get in touch with Jenny Keleher ([jkeleher@bionb.org](mailto:jkeleher@bionb.org)) if you would like your business or your research profiled in the Twitter Scavenger Hunt.

## Call for Nominations: New Brunswick Bioscience Achievement Award

### Due September 23rd

Every year the community recognizes one individual from the bioscience community who has made outstanding contributions toward the growth and promotion of New Brunswick's bioscience sector.

Submit your choice for the New Brunswick Bioscience Achievement Award by sending in 150-300 words on why this individual, above all others, deserves recognition as a true champion of our sector.

Send your submission to [jkeleher@bionb.org](mailto:jkeleher@bionb.org).

Thank you to all of our sponsors
