BioNB & National Biotech Week

Innovation at the Station is Only One Week Away!

October 3rd, 2014

Where: The York Street Train Station, Fredericton

Our lovely, locally-minded caterer, LJW Catering, is working with at least FOUR local producers: [Victory Meat Market](#), [Moxon's Country Pumpkin](#), [Real Food Connections](#), and many vendors within [Boyce Farmers' Market](#)! We can't wait to try out their fresh, unique creations!

The event is only one week away and there are **less than 10 spots left** - [register now!](#)

Sponsored by [LuminUltra](#), [NBIE](#), and the [Biorefinery Technology Scale-Up Centre](#).

Sponsor Spotlight: CCNB's Biorefinery Technology Scale- Up Centre

We're thrilled to have the Biorefinery Technology Scale-Up Centre as a sponsor! This talented team supports the bioproduct promotion efforts of industry all across Atlantic Canada.

The BTSC were featured in "[Under the Microscope](#)" where Mike Doucette told us all about how his team is helping transform New Brunswick's brewing industry.

NB Bioscience Twitter Scavenger Hunt

September 29th-30th

Monday is coming quickly! Follow [@BioScienceNB](#) on Twitter, tweet back answers to our clues, and battle it out for the **iPad grand prize!**

All clues will be related to New Brunswick business, science facts, and current news. Not so difficult, eh?

ACRI Open House

September 30th

Ever wondered what a world class cancer research lab looks like?

You're invited to come tour the [Atlantic Cancer Research Institute's](#) state of the art research facility and meet their passionate researchers and staff. ACRI has grown from a team of one into a 50+ member organisation of talented researchers and staff. After developing and commercialising a revolutionary method that will improve cancer detection, they continue to innovate.
