## What's New at BioNB

BioNB Winter Webinar Series

Every entrepreneur needs to be a jack-of-all-trades. In those early days you ARE the business, so arm yourself with the tools you need to grow.

BioNB and TME have partnered to deliver [5 free webinars](#) on 5 priority topics, each hosted by an expert in the field. [Check out the topics for yourself!](#)

Don't see something that you like? [Click here](#) to access the Spring Webinar Series videos on sales, marketing, intellectual property, and pitching.

## Programs and Events

GovMaker Conference - November 24th & 25th

What could open data do for our government? What if we were connected, tuned in, modernized? The big conversations are happening at GovMaker next week in Fredericton. [Learn more.](#)

Peat, Peatlands and Sustainable Development Scientific Day - November 27th

The first scientific day of the Department of Peat, Peatlands and Sustainable Development of the Coastal Zones Research Institute will be held at the Congress Centre of the Acadian Peninsula. [Learn more.](#)

NBIF Breakthru - Apply to pitch by December 9th!

NBIF is giving away \$500K in cash & services to the most attractive startup around. BioNB can connect your bio-based company with help for your business plan, your pitch, and even your application. [Learn more.](#)

InspireNB - The Tool to Connect You With Your Labour Force

Imagine if you could tell the young workforce EXACTLY the skills they would need to excel in your field. Start the conversations and secure your talent pipeline with InspireNB. [Learn more.](#)

Business Innovation Access Program (BIAP)

The BIAP is a National Research Council pilot program that provides funding to SMEs to help them access business services or technical assistance from Canada's learning institutions or research organisations.

[Click here to learn more.](#)
