# SAVE THE DATE!

*May 27th - 29th, 2015*

## **This year's host location is Edmundston, New Brunswick**

**SAVE THE DATE!** The Atlantic Biorefinery Conference is back for 2015 and is once again taking the event to the next level.

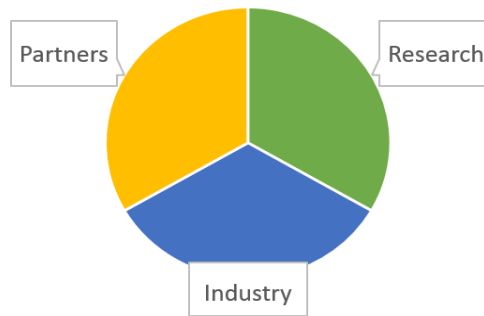

Look forward to:

- A **full day** of technology tours;
- Presentations and panels on biofuels, bioenergy, aquaculture, marine, agriculture, and an **increased focus on forestry technologies**;
- B2B partnering system and many networking opportunities;
- Poster session with prizes;
- **More international delegates and presenters.**

**Who should attend?**

The Atlantic Biorefinery Conference attracts an even split of **companies, researchers,** and individuals from **support and partner organisations.**

The Atlantic Biorefinery Conference is being hosted at la Collège Communautaire du Nouveau-Brunswick Edmundston and the Four Points by Sheraton. As always, the organisers will be reserving a block of rooms at a special conference rate. Funding may be available to support academic travel (first come first serve, must be registered first).

Registration will open soon. Stay tuned for updates!

**Visit [atlanticbiorefineryconference.ca](http://atlanticbiorefineryconference.ca) for more info.**
