Atlantic Canada BioIndustries Exhibit at the 2015 BIO World Congress on Industrial Biotechnology

BIO World Congress on Industrial Biotechnology July 19-23, 2015 in Montreal

BioNB, in partnership with BioNova, NATI and PEI BioAlliance, is coordinating the Atlantic Canada delegation to World Congress and we would like to know if you are interested in taking part. As a member of our group you will be supported (at no additional cost) with:

- Access to the Atlantic Canada booth where you can meet, greet and display promotional materials.
- An exclusive breakfast networking event for Atlantic Canada companies and international partners.
- Support with matchmaking and navigating the event.

Important Dates:

Early bird registration ends **June 1st**

Conference hotels at the BIO discounted rates are available until **June 25th**, subject to availability

Travel support may be available from your local government agencies, please contact the bioscience agency in your home province for more details.

**For more information and to R.S.V.P. contact BioNB:
jodonnell@bionb.org (506.444.2444)**

About the event:

BIO World Congress on Industrial Biotechnology will bring together 1,300+ leaders in advanced biofuels, biobased products and renewable chemicals. The event offers delegates unique networking opportunities specific to the Biotechnology and Bioprocessing markets. World Congress is the largest industrial biotechnology event for business leaders, investors and policy

makers in biofuels, biobased products and renewable chemicals.

This event is of interest to startup, early stage and established companies working on valorizing biomass and industrial biorefining. It is also of interest to researchers working on technologies positioned within this industry.

Visit bio.org/worldcongress and look for [#BIOWC15](https://twitter.com/BIOWC15) for up-to-date information, full session schedule and more.
