

BioNB drives New Brunswick's bioeconomy by helping researchers and companies navigate the funding landscape

FUNDING OPTIONS

EXPORTING

LearnSphere

Contact: Amy Boudreau
amy.boudreau@learnsphere.ca

Export Market Access Program (EMAP)

Access funding for export marketing activities like market research, lead generation and promotional materials.

Commercialization Consulting and Mentoring (CCM) Program

Atlantic Canada-based SMEs, universities, and research institutions can access the CCM Consultants Roster.

Lead Generation

Contact Jonathan Dunnett
jonathan@venncentre.ca

Venn's **Target** program provides financial assistance to export-ready, technology-based SMEs to help them identify and capture qualified leads and grow their business in export markets.

MaRS Market Intelligence

Contact : Barbara Ells
NB companies can gain access to premium market research reports and expert industry analysts.

Going Global Innovation

Contact: Jayne Galloway
innovation@international.gc.ca

Travel support for international R&D projects with commercial potential .
Visit tradecommissioner.gc.ca

EUREKA

Contact : Tim Jackson
tim.jackson@nrc-cnrc.gc.ca

EUREKA is an international network for market-driven industrial R&D. NRC-IRAP can provide funding for EUREKA projects to eligible Canadian SMEs who are collaborating with companies or researchers who are based outside of Canada.

Canadian Technology Accelerators

CTAs provide Canadian market-ready companies access to global markets and entrepreneurship services in foreign markets.

Physical or Virtual CTAs run in:
New York City Boston
Philadelphia Denver
San Francisco France
United Kingdom India
Cleantech (virtual) Silicon Valley

Visit tradecommissioner.gc.ca

CanExport

CanExport@international.gc.ca

SMEs looking to develop export opportunities can access 50% reimbursement of expenses up to \$100,000.

CanExport is curated by the Trade Commissioner Service, Global Affairs Canada and NRC-IRAP.

Export Programs for Agriculture

Several programs are available to support export activities in the agriculture and agri-food sectors.

- EARI (NB DAAF and AAFC)
- Agri-Marketing (AAFC)
- Market Development, Product Enhancement and Diversification Program (GNB)

Export Development Canada (EDC)

Access financing, insurance, bonding services, and expertise.

Visit EDC.ca
